

Creche Team

What's involved?

Being part of the team that runs the creche for 0-3 year olds during Sunday morning services.

What kind of person is needed?

People who love spending time with small children, and who will commit to care for the youngsters in creche, and pray for them. All creche team members are required to have a DBS clearance for working with children.

What's the commitment?

Team members are usually on the rota about once every four weeks. There is some set up to do prior to the service, and some clearing up as well.

What training is available?

New members of the team will be trained by existing members of the team, with occasional training evenings.
