

Explore

What's involved?

Helping to run our monthly Explore congregation. There are a variety of roles including planning sessions, set-up, assisting with craft activities, catering, and clear up.

What kind of person is needed?

People of any age who have a heart to support families in exploring the Christian faith. The different roles require different skills and gifts, there's a place for everybody.

What's the commitment?

Explore runs monthly, on a Sunday afternoon. Set up begins at 3pm, and clear up is normally finished by 6:30pm. We don't need everybody to be there the whole time, for instance, having a clear up crew from 5:30-6:30 would be really helpful.

What training is available?

Depending on the role, different kinds of training are available, including Food Hygiene training for those interested in helping with the catering.

Who should I speak to? Rev'd Tim Carter
