

# Home Communion Team

## **What's involved?**

Taking communion at home to members of the church family who can no longer make it to church. All visits are done in pairs.

## **What kind of person is needed?**

People are comfortable visiting with others in their homes, praying with them, and with a sense of the importance of communion to people's spiritual life. All members of the team are required to have a DBS check for working with vulnerable adults.

## **What's the commitment?**

Most pairs on the team have two or three people that they visit about once a month for an hour or so.

## **What training is available?**

Full training will be provided, including the opportunity to shadow a current member of the team before committing to the ministry long term.

**Who should I speak to?** Rev'd Tim Carter
