

Prayer Ministry Team

What's involved?

Offering prayer ministry during and after the service when required - this might include prayers for healing, peace, on behalf of others - or anything else.

What kind of person is needed?

Mature, confidential people who are happy to listen and come alongside and confident in hearing God through prayer. All members of the team find themselves with different gifts, which build up the team for the common good- and have faith in a God who speaks today and is on the move today.

What's the commitment?

Once every 4 weeks or so, attending the 9:50am prayer meeting and being available during and after the service for as long as is necessary. We also meet 3 times a year.

What training is available? New members will take part in shadowing a couple, before joining an experienced partner. We regularly put on training mornings for different aspects of prayer ministry.

Who should I speak to? Rev'd David Sims
