SongPro Team

What's involved?
Working the SongPro and other projection software during Sunday morning services, Ignite, and other occasional services.

What kind of person is needed?
People with some technical aptitude, a good ear, and sharp reflexes

What's the commitment?
Team members are expected to be on site from 10:10am on a Sunday morning and are normally finished by 12:00pm. Most members of the team are on duty about once a month.

What training is available?
New members of the team will be trained by existing members of the team, with occasional training evenings.

Who should I speak to? Margi Marchbank
