Present Involvement at All Saints:

A committed member of All Saints for the past 25 years. I have been on the PCC for 3 years as well as being PCC Secretary. I'm also a member of the Finance, Fabric and HR Action group as well as the HR subgroup. I'm also a member of the Counting Team. We, as a family have been hosts for the Luncheon Sunday initiative for many years which we enjoy, and those invited also enjoy. It's a great way of getting to know more of the congregation. Due to my HR experience I am often involved when recruiting new positions within the church.

Particular skills, qualifications, insights, experience, you are placing at the disposal of All Saints:

I have worked in HR for the last 16 years and I currently work as an HR Officer in a busy manufacturing company. This job means that I am used to dealing with people at all levels and from diverse backgrounds. I started my career in secretarial/administration jobs so have good organisational and administration skills.

Your concern or vision for All Saints: (limit 30 words)

My vision is that the church grows under the leadership and that we continue to encourage and engage with more young families which are the future of our church.
