Please pray:

Please pray for the family and friends of Rita Smith and Christine Thomason whose funerals were held during the week.

As the working group considering the recruitment of a new Families Outreach Worker meets this week, we pray for wisdom and discernment in those conversations and decisions about the best way that we can continue to build up our mission in this area.

As the vaccination programme rolls out in this country, we pray for an equitable distribution of vaccines around the world, and for the successful implementation of the Covax scheme. We pray that international distribution will be determined by vulnerability and not by wealth or access to cheap loans.

HELLO FROM KENYA

Hi Tim and all at All Saints,

We hope you are well and are adjusting to all the changes in rules regarding church services and meetings.

Thank you for supporting us financially and prayerfully during 2020, we are so grateful to have you on this journey with us. We have been in Kenya now for two months and are feeling pretty settled.

Jonah starts school next week so we are really looking forward to getting some routine and structure back in our lives. He will be attending Rift Valley Academy (RVA), around a 10 minute walk from our house. It is a Christian school that serves around 500 missionary children.

Sean will be spending most of his days at Cornerstone Preparatory Academy supporting teachers and the leadership team as they focus on teaching and learning across the school. Caleb and I will spend our time at LEAP, the pre-school. Children start school slightly later here than in the UK, so whilst Caleb started reception in the UK back in September 2020, he won't start Kindergarten at RVA until September 2021. This means that I will have Caleb with me most of this year and we're looking forward to the opportunity for him to attend LEAP with children from Naomi's Village and the surrounding community.

We hope you are keeping well in these unsettling times. Thanks again for your continued support.

With love, Rachel
