

# Event Refreshments Team

## **What's involved?**

Providing refreshments for one-off events that we host such as concerts, Civic services, Alpha courses, etc.

## **What kind of person is needed?**

People with a welcoming and hospitable nature, willing to roll their sleeves up and get stuck into general kitchen work.

## **What's the commitment?**

There is no regular commitment, but we are aiming to develop a list of people who are willing to be called on to help occasionally. When help is required, it is usually for 2-4 hours.

## **What training is available?**

Training in the use of the various catering equipment will be given, and existing team members will support new members in becoming familiar with our processes and equipment.

**Who should I speak to?** Gillian Reeves
