

# Intercessors

## What's involved?

Writing or sourcing and then leading the prayers of intercession in Sunday morning and evening services.

## What kind of person is needed?

People with a heart for prayer, who are willing and able to lead others in prayer.

## What's the commitment?

There are separate teams for the morning and evening services. Some people are on both teams, but most are either on the morning or evening team. Members of the morning team are on duty about once every six weeks, in the evening once a month is average. Some time for preparation of the intercessions is required. Intercessors are expected to be at church 20 minutes before the start of the service to join in praying for the service.

## What training is available?

We have material providing guidance to writing or sourcing prayers of intercession. People joining the team are partnered with existing members to support them for the first couple of times they are on duty.
