

# Kids Groups

## **What's involved?**

To facilitate or lead sessions within the Sunday morning service with support from two other volunteers for a group of children aged 4-10. Contributing to pastoral care for members and encouraging them in their discipleship.

## **What kind of person is needed?**

People of any age who enjoy the company of younger children and are excited about developing their Christian faith through a variety of different activities.

## **What's the commitment?**

To be on the rota to lead or help with a session about once every four weeks. All team members need to complete a Safeguarding check and training.

## **What training is available?**

An easy to follow and well resourced syllabus for the sessions is available. Existing leaders would be open to new leaders watching their sessions to support them or spending time with them to help navigate the syllabus if necessary.

**Who should I speak to?** Caroline Gwilliam
