

# Parish Centre Toddler Groups

## **What's involved?**

A variety of roles to facilitate the running of Toddler Groups on Wednesdays and Thursdays. These include setting up, welcoming members, organising craft, kitchen duty, talking with members, clearing up.

## **What kind of person is needed?**

People with a range of skills and gifts to match the different roles, but all with a heart to serve young families in our communities and to be welcoming and hospitable.

## **What's the commitment?**

Most helpers attend every week, on either Wednesday or Thursday. A minimum commitment would be to be available one week in three. It is possible to help on both Wednesdays and Thursdays if you would like to.

## **What training is available?**

Depending on the role taken on, existing team members will be happy to show what's involved and will support new members as they pick stuff up.

**Who should I speak to?** Clair Bains
