Please pray:

For the families and friends of Mr Vernon Godfrey and Mrs Gillian Gregory whose funerals were held during the week.

We pray for the work of the Church Mission Society in the outworking of its values: Pioneering - we try new things, ask questions, cross boundaries; Evangelistic - we share Jesus in word and action; Relational - we get alongside people, becoming a genuine part of the communities where we find ourselves; Faithful - where others have left or given up, we remain committed for the long-haul.

We pray for the Rev'd Jo Farnworth as she is licensed as Rector of Central Telford team and Associate Archdeacon of Salop this week. We pray that she will settle in quickly to her new roles, and find them a blessing as she serves the people of Telford and the wider area.

We pray for the Deanery Synod this week as it meets, with a particular focus on how we can work together across the area to provide good bereavement care to those we minister among.

Supporting our local food bank

Stock has been running low at our local food bank at Wrekin View Primary School. Here are a few ways that you can donate food. 1: Leave it in the red bin at the entrance of the church building, 2: Drop it off at Wrekin View during school hours, 3: Leave it a Nick Brooke's door at 1 Stile Rise TF5 0LR, or 4: message Nick and he will pick it up and deliver it for you at nick@allsaints-wellington.org or 07949294814

Also, we will be organizing another drive through food-drive in mid-February. If you would like to help on the day please contact Nick.

Shaping for Mission Research

As part of the Deanery Shaping for Mission project, we are working to compile a directory of voluntary organisations church members are involved in supporting. We hope this will give us a good picture of the involvement of the church across Telford in the community, and also help us to connect those looking for opportunities to serve with these organisations.

Please can you email Tim Carter detailing the name of the organisations you are involved with, or are aware of, what activities they do, contact info, how many hours a week you work with them, and what kind of support you give, by the 26th of January.

Midweek Communion

We have decided to trial returning to holding Midweek Holy Communion every week in the Parish Centre Meeting Room on Wednesdays at 12.30pm rather than fortnightly.

Thank you from the Macnamara family

"Thank you to the All Saints church family, we're so grateful to have you stand along side us.

We've had a number of members of All Saints respond to the financial implications of the changes to our plans and it is so encouraging to know that we have so many people standing with us and cheering us on; especially when things get a bit bumpy! It reminds us of 1 Corinthians 12, just as there are many parts of the body, each with a different role, so it is with us; we all have different roles to play in bringing about the Kingdom of God and sharing the love of Christ.

As it stands, both Jonah and Caleb are currently positive (but asymptomatic) and so far Sean and I are still testing negative. We hope to be able to fly out early next week but want to be confident that all 4 PCRs will come back negative before testing again.

Thank you again for the prayers and love shown by All Saints."
