

Maintenance Team

What's involved?

Various tasks around the church building and parish centre to keep the buildings in good repair.

What kind of person is needed?

People with good painting, plumbing, carpentry, gardening, or other general maintenance skills and experience.

What's the commitment?

Maintenance is generally organised on an ad hoc, as needed basis. We occasionally have working parties to focus on a particular area of the grounds or building. It is useful to have a list of people we can call on in different scenarios.

What training is available?

Task specific Health and Safety guidance will be given.

Who should I speak to?
