

Pastoral Care Team

What's involved?

Maintaining contact and sharing pastoral care for those in the congregations who are not in small groups. Visiting as required, and attending monthly Pastoral Care team meetings.

What kind of person is needed?

People with a pastoral heart, who are organised and diligent in looking for people and maintaining contact with them. All members of the team are required to have a DBS check for working with vulnerable adults.

What's the commitment?

This varies, depending on the needs of those who are being looked out for. Most people on the team make a couple of phone calls a week, and a couple of visits a month in addition to the team meetings.

What training is available?

Full training will be provided, including the opportunity to shadow a current member of the team before committing to the ministry long term.
