

Sunday Refreshments Team

What's involved?

Providing refreshments for Sunday morning services.

What kind of person is needed?

People with a welcoming and hospitable nature, willing to roll their sleeves up and get stuck into general kitchen work. Most people on the team do so as part of their small group, but there is always room for others to join as well.

What's the commitment?

Most teams are on the rota about once every six weeks. There is some set up to do before the service, and some clearing up and washing up to do after the service.

What training is available?

Training in the use of the various catering equipment will be given, and existing team members will support new members in becoming familiar with our processes and equipment.
